# Celebrate Achievements

If a traditional graduation ceremony is not in your plan, you can still celebrate achievements with certificates, ribbons, and medallions. Recognize students with ribbons for attendance, doing a great job, or learning numbers or colors. Bright Future Medallions or certificates can also be a great keepsake for children. Order items à la carte on [www.jostenskinderkraft.com](http://www.jostenskinderkraft.com).

## Q & A

### How do I measure students for gowns?

Measure from the top of their heads to the floor. Our gowns come in 7 sizes (see the website for details). If a child is at the top of the size range, round up to the next size.

### Do caps come with tassels?

All grad packages include a cap and tassel. If caps are ordered à la carte, tassels are sold separately.

### How quickly will items arrive?

Please allow 10 business days for the orders to be processed and delivered. If you need items in less than 10 business days we can expedite it for an additional charge, provided all products are available.
